

Unpack the machine and check the components

Read the Product Safety Guide first, and then read this Quick Setup Guide for the correct installation procedure.

NOTE:

- The components included in the box and the AC power plug connection may differ depending on your country.
- The illustrations in this Quick Setup Guide are based on the HL-L9200CDW.
- You must purchase the correct interface cable for the interface you want to use:
 - USB cable**
We recommend using a USB2.0 cable (Type A/B) that is no more than 6 feet (2 meters) long.
 - Network cable**
Use a straight-through Category 5 (or greater) twisted-pair cable for 10BASE-T or 100BASE-TX Fast Ethernet Network.

1 Remove the packing material from the machine

2 Load paper in the paper tray

3 Connect the power cord and turn on the machine

4 Select your language

- Press  > General Setup > Local Language.
- Press your language.
- On the machine's Touchpanel, press .
