

THE NEW PRO SERIES

tileStyle

Find your things in style. Never lose what matters most with the new Tile Style, the perfect blend of form and function.

Ring it. Find it.

Tile Style has a **200 ft. range** — that's **2X** our current Tiles. Plus, it's **2X louder** than ever, making it easy to find when it's nearby.

Find your phone

Double tap the button on your Tile Style and your phone will begin to ring — even on silent.

See it on a map

The Tile app remembers when and where you left something behind.

Your very own search party

If your Tile is lost, you can anonymously put every Tile app on the lookout to help you find your lost item. With millions of users, Tile is the world's largest lost and found community.

Ready for anything

Waterproof and resilient, Tile Style holds up to the demands of your busy life.

Zero Upkeep

Tile's batteries last a full year with no charging required.
