

FM Radio | 2.4 W | Carrying Handle | Black / Grey

General information

This easy to carry FM radio is super-lightweight and has a handle to make listening to music on the move a breeze. You can choose to plug it into the mains or slip in 3x C batteries (not included) to take the music with you wherever you go.

With a peak power of 2.4 W this small radio delivers a big sound. Find your favourite stations on the FM band and choose to share the music or have your own private disco thanks to the headphone jack.

Features

- Enjoy music with a peak power of 2.4 W
