USB-C to HDMI® Audio/Video Adapter Converter with Power Delivery
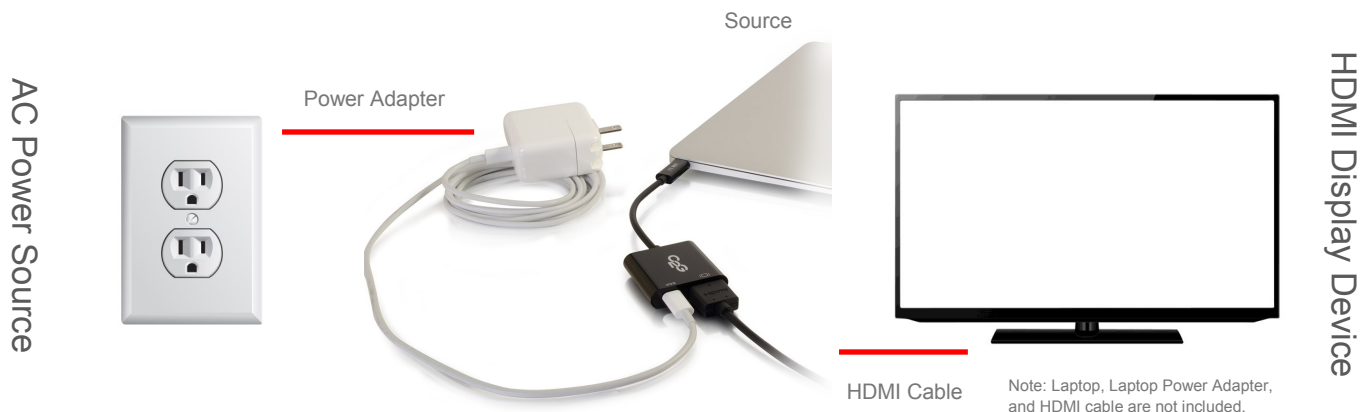

29531—Black

29532—White

Deliver Audio/Video content to an HDMI equipped display from a USB-C device while simultaneously charging the device.

Product Features

- Charge a laptop, tablet, or smartphone while displaying video through the HDMI output
- Supports up to 3840x2160 at 30Hz resolution
- Reversible, symmetrical USB-C connector
- Plug and play no drivers required

Application setup

Note: Laptop, Laptop Power Adapter, and HDMI cable are not included.

The USB-C to HDMI Audio/Video Adapter Converter with Power Delivery is an ideal solution for connecting a device with a USB 3.1 Type-C connector to an HDTV, projector, or other display with an HDMI port while simultaneously charging the source device. The audio/video support is built into the USB Type-C ports to feed an audio/video signal to an HDMI HDTV or projector. This adapter supports up to a 4K (3840x2160 at 30Hz) resolution, allowing it to deliver a high quality video image to the connected display.

Note: The USB-C female port located next to the HDMI female port will only transfer power into the device that the male USB-C end of the USB-C to HDMI Audio/Video Adapter Converter with Power Delivery is attached to. The USB-C Female port cannot be used to power, charge, or output data to a device connected to the USB-C female port.

Simplify Connectivity

Ensure that a USB-C equipped laptop, smartphone, or tablet is fully charged and ready to go while displaying video content. Deliver up to 60W of charging power to the connected device whether you are out in the field presenting, hot-desking, or at home streaming movies. This audio/video adapter converter offers a light-weight, portable, and simple way to deliver video and stay charged up.
