Initial setup instructions

1. Install the battery pack.
2. Connect to power.
3. Press the power button to turn on the computer.
4. Configure the operating system following the on-screen instructions to complete the initial setup. This process takes several minutes.

Additional information about using your ThinkPad computer is in the User Guide. See "Accessing your User Guide" later in this document.

- System status indicator
- Built-in microphone

Online technical support
Online technical support is available during the lifetime of a product at http://www.lenovo.com/support.

Telephone technical support
You can get help and information from the Customer Support Center to determine if the problem is related to Lenovo technical support. Be prepared to give your personal name, your organization or household address, your Lenovo product, the serial number, the exact wording of any error messages, and a description of the problem.

Worldwide Lenovo Support telephone list

Note: Recovery discs are not provided. Instead, everything needed for recovering factory-installed files and applications is provided in the Lenovo_Recovery partition on your hard disk drive. If you decide to remove the Lenovo_Recovery partition, be sure to create a recovery disc first. For more information, see "Recovery overview" in the User Guide. See "Accessing your User Guide" for instructions on opening the electronic User Guide provided on your computer.

Lenovo electronic manuals... for a greener planet!

Note: Reproduction, or disclosure is subject to restrictions set forth in Contract No. GS-35F-05925.

First Edition (October 2013)
© Copyright Lenovo 2013.
LIMITED AND RESTRICTED RIGHTS NOTICE: If data or software is delivered pursuant to a General Services Administration “GSA” contract, use, reproduction, or disclosure is subject to restrictions set forth in Contract No. GS-35F-05925.
Do not:

- Damage or replace the battery pack, or any of its components, only if it is covered by the warranty.
- Expose the battery pack to extreme temperatures, humidity, or chemicals.
- Tamper with or open the battery pack.
- Do not put the battery pack in trash that is disposed of in landfills. When disposing of the battery, comply with local ordinances or regulations.

The battery pack should be stored at room temperature, charged approximately 20% to 40% capacity. We recommend that the battery pack be charged once every three years to prevent overdischarge.

### Lithium-ion cell battery notice

**WARNING**

Danger of explosion if battery is incorrectly replaced.

- Replace only with a battery of the type recommended by the manufacturer.
- Use of an incorrect type of battery may result in an explosion.

- Repeat from above.

**CAUTION**

- Damage or replace the battery pack, or any of its components, only if it is covered by the warranty.
- Expose the battery pack to extreme temperatures, humidity, or chemicals.
- Tamper with or open the battery pack.
- Do not put the battery pack in trash that is disposed of in landfills. When disposing of the battery, comply with local ordinances or regulations.

The battery pack should be stored at room temperature, charged approximately 20% to 40% capacity. We recommend that the battery pack be charged once every year to prevent overdischarge.

### Lenovo Limited Warranty notice

This product is covered by the terms of the Lenovo Limited Warranty. The Lenovo Limited Warranty is available on the Lenovo Web site at support.lenovo.com/warranty. If you are not on the Web, send an email to warrantyinfo@lenovo.com. The Lenovo Limited Warranty is the only warranty applicable to this product and supersedes all other warranties and agreements whatsoever, expressed or implied, whether of fitness for a particular purpose or of merchantability or non-infringement of intellectual property rights or otherwise, whether written or oral. For the full terms of the Lenovo Limited Warranty, see the User Guide for your computer.

### Electronic emission notices

The device has been tested and found to comply with the limits for a Class B digital device. The Lenovo User Guide for this product provides the complete Class B compliance statement that is applicable for the device. See “Accessing your User Guide” for additional information.

### Korean Class B compliance statement

European Union conformity

Lenovo complies with the essential requirements and other relevant provisions of the Radio and Telecommunications Terminal Equipment Directive 1999/5/EC. The Declaration of Conformity is located in the Regulatory folder, which you can download from the Lenovo Support Web site. See “Download publications” for additional information.

### Recycling and environmental information

Lenovo encourages owners of information technology (IT) equipment to responsibly recycle their electronic equipment when they no longer needed. Lenovo offers a variety of programs and services to assist customers in recycling their Lenovo products, go to:

http://www.lenovo.com/recycling

### Important WEEE information

When you replace the lithium coin-cell battery, use only the same or an equivalent type that is recommended by the manufacturer. The battery contains lithium and can cause fire or explosion if not properly used, handled, or disposed of.

- Do not:
  - Place the battery in water or other liquid.
  - Short the battery terminals.
  - Completely discharge the battery to the point of stoppage. You can charge and discharge the battery as many as 300 times before the battery life is reduced.

Lenovo products covered by the warranty are not subject to the Waste Electrical and Electronic Equipment (WEEE) Directive.

### Recycling information for Japan

- Recycling information for Japan
- Recycling information for China

### Additional recycling statements

Additional information about recycling computer components and batteries is in your User Guide. See “Accessing your User Guide” for details.

### Restriction of Hazardous Substances Directive (RoHS)

European Union RoHS

Lenovo products sold in the European Union, on or after 3 January 2013 meet the requirements of Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment ("RoHS" Directive) or "RoHS 2").

For more information about Lenovo’s progress on RoHS, go to:

### Legal notices

Lenovo, ThinkPad, ThinkPad UltraConnect and TrackPoint are trademarks or registered trademarks of Lenovo in the United States and/or other countries. All other company, product or service names may be trademarks or service marks of others.

For additional legal notices, refer to the User Guide for your computer. See “Accessing your User Guide” for additional information.
