

THE SIGHTS & SOUNDS
OF EDUCATION

Multimedia Stereo Headset

Model 3064-USB

An ideal companion for today's digital classroom, this lightweight USB-equipped headset allows faster access to media files and streaming audio files. Enhanced speed makes it perfect for language learning, adult literacy groups, multimedia applications as well as general listening and call center uses.

1. Fully adjustable and lightweight headband fits all students
 2. Replaceable leatherette ear cushions
 3. Permanently attached straight cord with reinforced connection resists accidental pull out
 4. High speed connectivity with backwards-compatible USB 2.0 plug eliminates the need for a sound card
 5. Lengthy 8 foot cord for extended reach
 6. Accessible in-line volume and mute control, mic on/off switch
 7. Omnidirectional electret mic on flexible gooseneck
 8. Recessed wiring resists prying fingers for classroom safety
- Convenient "plug and play" format for Windows/Mac compatibility
 - Warranty for school use - unlike headsets purchased from consumer electronics stores whose warranties would be voided if used in schools

"Project Intercept"

Please contact us immediately if you experience any difficulties with your headset. Our "Project Intercept" customer service program will quickly repair or replace items under warranty. Simply contact us via phone or email warranty@califone.com.
