

CyberPower

GS608B POWER STRIP

Power multiple devices from a single electrical source or outlet.

Perfect for powering small appliances and household electronics, the general-purpose GS608B Power Strip from CyberPower provides six grounded, standard spaced outlets and an eight-foot power cord. With this power strip, multiple electrical devices can share a single AC wall socket. A 15-Amp circuit breaker prevents overloading.

Features include a lighted on/off switch, an integrated 15-Amp circuit breaker, and damage-resistant housing. The GS608B Power Strip comes with a one year warranty.

TYPICAL APPLICATIONS

- Chargers
- Printers
- Small Appliances

FEATURES

- 6 Standard Outlets
- 8-foot Power Cord
- Keyhole Slots
- Impact-Resistant Casing
