

FM / AM Radio | 1.5 W | Pocket-Size | Black

General information

If you love listening to music while you're on the go, this pocket-sized Nedis® FM / AM radio offers the perfect solution. It is easy to take with you wherever you go. Just put in two AA batteries (not included) and find your favourite stations on the FM /AM bands and share the music with others or plug in your headphones to the headphone jack.

With a peak power of 1.5 W the radio may be small, but it certainly delivers a great sound.

Features

- Portable, pocket-sized design - perfect for taking music with you wherever you go
- 1.5 W peak power output - delivers good sound quality
- 3.5 mm output - to connect your headphones
- Battery powered - put in 2 (not included) AA batteries to start listening
- Analogue tuning - select the radio station of your choice with the tuning wheel
