

G933 ARTEMIS SPECTRUM™

Wireless 7.1 Surround
Gaming Headset

SUPERIOR SOUND PERFORMANCE, PERSONALISED TO YOU.

G933 Artemis Spectrum wireless gaming headphone with fold-away microphone is a headset worthy of serious audio fans. It delivers immersive surround sound with advanced Pro-G™ audio drivers. Access audio, lighting and three programmable macro controls remotely right from your headset. Personalise your G933 with swappable backlit speaker plates. Customise the lighting from a palette of over 16 million colours. Connect up to three devices simultaneously to answer calls, play music and more while in game. Create custom sound profiles with the on-board equaliser. G933 works wirelessly with PC, consoles, mobile and most home theatre devices (using USB-powered mix adapter).
