

Epson AcuLaser M1400

DATASHEET

The AcuLaser M1400 is a compact single-function monochrome printer that refuses to compromise on performance or quality.

It is one of the smallest units in its class and ideal for maximising desktop workspace in busy or cluttered offices.

Extremely productive for demanding offices, it has a fast print speed of 24 pages per minute, delivered at a very high print resolution of 1200x1200dpi. Enhance performance with a 64MB standard memory – one of the highest in its class.

This printer has been developed for the business user and provides peace-of-mind printing, reliably handling large print jobs day after day with little maintenance required. The toner cartridge is the only supply item requiring replacement, also helping to keep the total cost of ownership down.

The M1400 has an ENERGY STAR-qualified reduced power consumption, helping businesses to cut costs and environmental impact.

KEY FEATURES

- Compact footprint
- Fast print speed of 24ppm
- 1200x1200dpi resolution
- ENERGY STAR-qualified power efficiency

AL-M1400 with open paper tray
