

# PRO

## Mechanical Gaming Keyboard

### DESIGNED WITH PROS. BUILT FOR ESPORTS.

Logitech G Pro Gaming Keyboard is designed and built to the exacting specifications of eSports athletes worldwide. Featuring the fastest and most durable Romer-G™ switches in a compact and ultra-portable tenkeyless design, plus advanced performance built in: game mode button to disable Windows® key and avoid accidental actuation, macros to execute complex commands in a single keystroke, 87 key anti-ghosting and 26-key rollover for precision control, and onboard memory to store your lighting configuration. This is the keyboard designed to give you the competitive edge. Pair it with Pro Mouse for a double advantage.

### WHAT'S IN THE BOX

- Pro gaming keyboard
- Keyboard data cable
- User documentation
- 2-year manufacturer's guarantee and full product support

### FEATURES

- Exclusive, faster, more durable Romer-G key switches
- Compact, durable, ultra-portable, tenkeyless design
- Onboard memory to store lighting profiles for tournaments\*
- Detachable USB cable
- Re-engineered actuation for faster keystroke processing

\* Some profile settings require Logitech Gaming Software
