✎ **Preset**: Place the Guide Stand and Cover Neck onto the stand and fasten it using the screws. Applicable to models (Depending on the model)
Step 1. Attach your PDP TV to the stand.

✎ Two or more people should carry the TV.

✎ Make sure to distinguish between the front and back of the stand when assembling them.

✎ To make sure the TV is installed on the stand at a proper level, do not apply excess downward pressure to the upper left of right sides of the TV.

Step 2. Fasten two screws at position 1 and then fasten three screw at position 2.

✎ Stand the product up and fasten the screws. If you fasten the screws with the PDP TV placed down, it may lean to one side.
