

Instructions

The Intermec CK60 Handheld Computer Guide Rail kit (p/n: 203-709-001) allows for secure holding of Snap-on Adapters and proper positioning for the CK60 into Docks.

NOTE: The illustration shows the right lower bumper guard removed for clarification of Guide Rail placement.

- 1 Remove the two screws that secure each worn guide rail.
- 2 Using the new #4-40 x 7/32 screws, attach the new guide rail.
