
Pro:Centric Hospitality TV with Integrated Pro:Idiom

LT560H(NA)

Manage your hotel easily and efficiently with the LT560H series, featuring Pro:Centric and Pro:Idiom enabling users to easily configure and/or update guest room TVs via a centralized management system. The LT560H series also delivers crisp, clear images through energy-efficient LED technology, improving the guest room experience.

* Actual product appearance may differ from the above simulated scene.

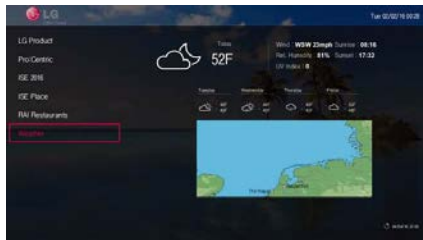

Pro:Centric Hospitality TV with Integrated Pro:Idiom LT560H(NA)

Pro:Centric V HOTEL MANAGEMENT SOLUTION

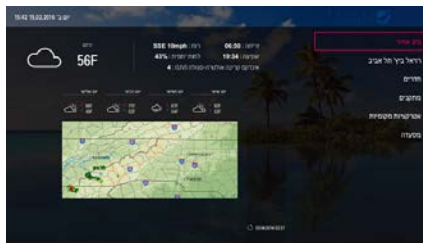

Pro:Centric V provides comprehensive solutions in RF infrastructure. Through the Pro:Centric Server and App, hoteliers are able to customize their settings and deliver information on hotel facilities and wake-up call services, weather forecasts and other messages to guests, all while reinforcing the hotel's brand image.

Multi languages

39 languages including Hebrew, Arabic and Farsi, and language alignment are supported, making your guests stay a more comfortable one.

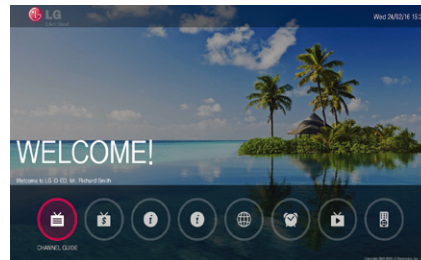

Right Alignment (Hebrew, Arabic, Farsi)

Left Alignment (36 languages)

Basic & Easy Templates

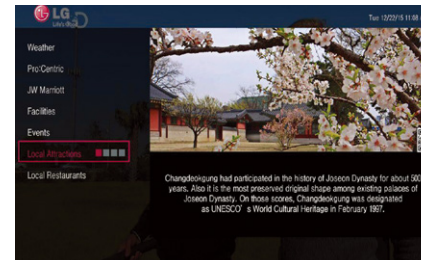

Pro:Centric Application (PCA) provides one Basic & Easy Template. Making a total of three templates, that customers can select according to their preference.

Welcome image of PCA

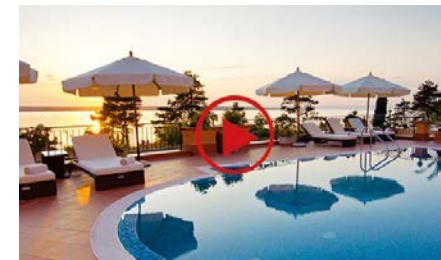

Customizable Template & Page

Choose an alternative look & feel template based on your preference, and edit multiple sections with 40 pages of billboards by yourself with the web based tool (Max. 15 pages / section Available)

Multi Channel Spooling

Operation of up to 8 hotel channels (22 sub-channels) can offer various information and added services.

Pro:Centric Hospitality TV with Integrated Pro:Idiom **LT560H(NA)**

HOSPITALITY FEATURES

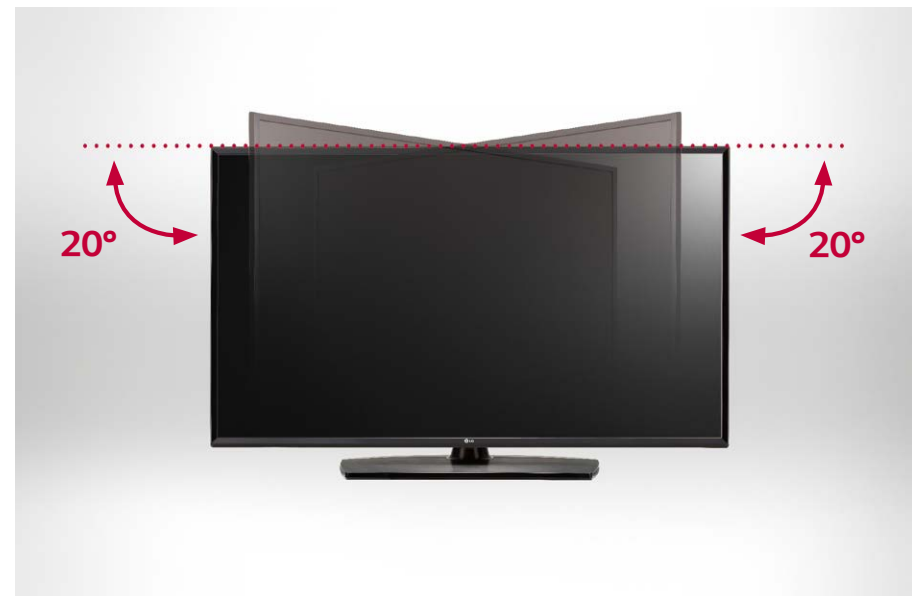

Pro:Idiom

DRM (Digital Right Management) technology unlocks access to premium content to help assure rapid and broad deployment of HDTV and other high value digital contents.

Commercial Swivel Stand

Expand the range of comfort for the guests with a commercial grade stand by allowing them to watch a TV from any angle.

Pro:Centric Hospitality TV with Integrated Pro:Idiom LT560H(NA)

HOSPITALITY FEATURES

Self Diagnostics via USB

Enables service engineers to recognize technical issues in a TV quickly and easily through a USB. The TV stores any technical issues encountered and can output them to a USB device. Service engineers use this information to analyze technical issues without the actual TV.

USB Data Cloning

USB data cloning makes managing multiple displays more efficient for optimal operation. No need to set up each display one by one, data can be copied to a USB in one display, data will be distributed to other displays through a USB plug-in.

EzManger

EzManager provides a convenient installation function to automatically set settings for the Pro:Centric TV without any extra configuration. Auto-installation requires 1-3 minutes, while manual installation requires 3-5 minutes.

Pro:Centric Hospitality TV with Integrated Pro:Idiom LT560H(NA)

HOSPITALITY FEATURES

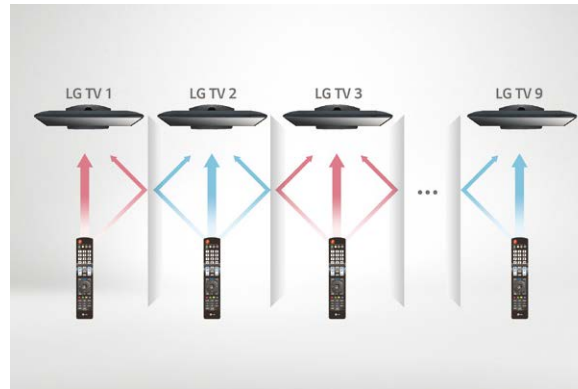

Welcome Screen

With the capability to play various video formats and images, Commercial Lite TVs offers a greater variation of greeting messages in hotel rooms to make customers feel more welcome and cared for.

Multi IR

Multi IR function eliminates the remote control signal interference between TVs for multiple devices.

External Speaker Out

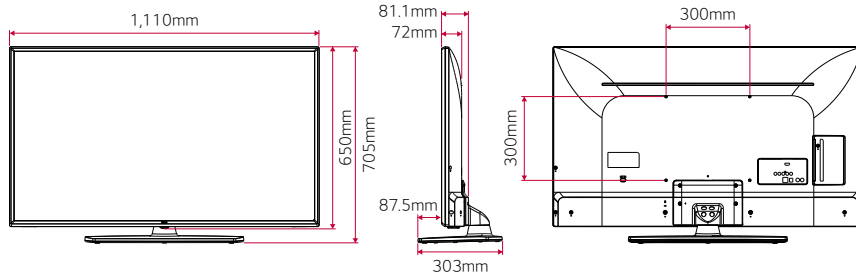

Enhance the entertainment experience with an additional speaker. Guests can listen and control the TV audio from anywhere, even from restrooms.

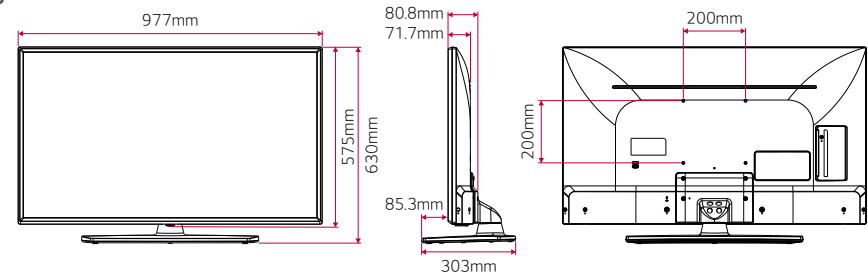

* Only available for LG TV models
