

HP UC Wireless Duo Headset

Immersive audio for everywhere you work

Take a call up to 100 feet away from your desk or phone with the HP UC Wireless Duo Headset and get premium stereo sound and noise cancelling even in the busiest environments, in a design that's comfortable to wear throughout the work day.^{1,2}

Connect the way you want

Pair the headset to your PC through a micro-USB dongle, to your mobile device through Bluetooth® or tap to establish communication with NFC.

Ready to collaborate

Enjoy compatibility with your familiar collaboration software. The headset is certified with Skype for Business® and can be used with other UC applications and softphones.

Simple to use

Answer, end, and mute calls and adjust volume with the touch of a button. A busy light cues passersby not to interrupt your call. Long battery life keeps you up and running.

World-class support

Get the reassurance of a one-year limited warranty.

¹ Listening to personal stereo equipment at full volume for long periods can damage the user's hearing. To reduce the risk of hearing damage, lower the volume and amount of time listening at full volume.

² Internet connection and voice service required and sold separately.
