Product Description

Stand out like a pro with the Presenter Expert™ Wireless with Red Laser - Rose Gold. Rose gold color helps make your presenter easily identifiable and adds a splash of personality. Intuitive, four-button layout lets you easily go forward and back on your PowerPoint or Keynote slides, while the other two buttons let you hide your screen and use the red laser pointer.

Features

- Red laser pointer lets you highlight any area of your presentation with a bright red laser at the touch of a button.
- Intuitive, four-button layout lets you easily go forward and back on your PowerPoint or Keynote slides, while the other two buttons let you hide your screen and use the red laser pointer.
- Plug-and-play 2.4GHz extended wireless connection (150-foot range) is secure (AES 128-bit encryption) and reliable. Roam the room with ease. Windows and Mac compatible. No driver required.
- Internal receiver storage provides a convenient place to store your wireless USB receiver so it won't get lost, as each presenter and receiver are uniquely paired to prevent interference.
- Specially designed contours make holding the presenter extremely comfortable.
- Rose gold color helps make your presenter easily identifiable and adds a splash of personality. Convenient carrying case stores and protects the presenter while on the go.
