

# *Platinum Series*

# Model One™

AM/FM Table Radio

## A radio to turn you on.

The Platinum Series Model One™ AM/FM table radio features a “new hand-lacquered and polished high-gloss finish, which transforms the table radio from sassy to sophisticated without diminishing it’s straightforward, timeless appeal.” (Robb Report)

With a tuner that brings in even the weakest stations, the Platinum Series Model One radio begins with a high-gloss, handmade wood cabinet that is both beautiful and the ideal acoustically inert speaker housing. A heavy-magnet, long-throw driver is mated to a frequency contouring circuit that automatically adjusts output over half-octave increments, resulting in musically accurate tonal balance and bass response. “When your stereophile loved ones turn the knob on the rock-solid Henry Kloss Model One Table Radio, they’ll toss out all their multiuse, Bluetooth-enabled gadgets and cry with hi-fi joy.” (Elle)

Like all Tivoli Audio® products, the Platinum Series Model One AM/FM table radio is compatible with iPod and other players. Available in two finishes, for yourself or someone else you care about..

- **Designed by audio legend Henry Kloss**
- **Exceptional musical fidelity**
- **Large 5:1 ratio analog tuning dial**
- Pulls in more radio stations
- Auxiliary input and stereo headphone output
- 3" full-range, long-throw driver
- Handcrafted, high-gloss, real wood cabinet
- Operates on AC or 12V DC

Dimensions: 4.375"H x 8.375"W x 5.25"D

Weight: 4.0 lbs.

Available in Piano Black with a silver faceplate and Dark Classic Walnut with a beige faceplate.

# Model Two™

## AM/FM Stereo Table Radio

### Luxury in stereo.

The Platinum Series Model Two™ AM/FM stereo table radio features a hand-lacquered and polished high-gloss finish. No other stereo system combines the beauty, simplicity, and audio brilliance of the Tivoli Audio® Model Two™ stereo radio. "The Model Two is outstanding. Its sound is natural and free of distortion. The Tivoli Audio Model Two is perhaps today's best bargain in small-scale audio." (Audiophile Voice)

The Model Two stereo offers all the features of Tivoli Audio's benchmark Model One™ radio – including its unmatched tuner, audio contouring circuits, and delightful analog tuning dial – with the addition of a second speaker cabinet for true stereo separation. "The way the music enveloped me left me with a foolish grin on my face. I couldn't believe such beautiful sound was coming from such small sources." (PC Review)

As with all Tivoli Audio products, the Model Two stereo radio is compatible with iPod and other players. Discover the pleasure of owning – or giving – the quintessential stereo radio.

- Designed by audio legend Henry Kloss
- Exceptional high-fidelity stereo
- Large 5:1 ratio analog tuning dial
- Pulls in more radio stations
- 2 x 3" full range, long-throw drivers
- Handcrafted, high-gloss, real wood cabinet
- Operates on AC or 12V DC

Dimensions: 4.5"H x 8.375"W x 5.25"D

Weight: 8.0 lbs.

Available in Piano Black with a silver faceplate and Dark Classic Walnut with a beige faceplate.

# Model Three™

AM/FM Clock Radio

## Wake up in style.

The Platinum Series Model Three™ AM/FM clock radio features a hand-lacquered and polished high-gloss finish. It improves your mood from the moment you open your eyes. “Designed with spare elegance and natural wood, the Model Three’s sound is warm, full and altogether surprising coming from a cabinet this small.” (Sound & Vision)

The Model Three clock radio features a tuner – originally developed for cellular communications – that brings clarity to even the weakest stations. Owners tell us they love the ultra-smooth analog tuning dial, sound design that astonishes the audio experts, and a beauty and balance that make it “not just the best looking clock radio made...it’s one of the most beautifully crafted home audio products ever.” (LA Times)

Like all Tivoli Audio® products, the Platinum Series Model Three clock radio is compatible with iPod and other players. Give yourself – or someone else you care about – the gift of waking each day to something beautiful.

- Henry Kloss designed tuner using GaAs MES-FET cell phone technology
- Accurate analog quartz clock
- 20-minute sleep timer
- Wake to buzzer or AM/FM radio
- Handcrafted, high-gloss, real wood cabinet
- Same exceptional sound as other Tivoli Audio radios

Like all Tivoli Audio products, the Music System stereo is compatible with iPod® and other players.

External FM antenna and external AC power supply included. One-year warranty. Operates on AC or 12V DC.

Dimensions: 4.5"H x 8.375"W x 5.25"D  
Weight: 4.25 lbs.

Available in Piano Black with a silver faceplate and Dark Classic Walnut with a beige faceplate.

# RadioCombo™

AM/FM/CD Hi-Fi System

## Hi-Fi meets high style.

The Platinum Series RadioCombo® AM/FM stereo features a hand-lacquered and polished high-gloss finish. Building upon the classic Model One™ radio, the RadioCombo® system adds a second speaker enclosure and CD player, creating a high-fidelity audio system without peer. “Tivoli Audio systems are modular, and look terrific. The combination offers superb sound and doesn’t overload you with buttons and knobs.” (Wired)

Accurate tonal balance and bass response come from a frequency-contouring circuit that balances output over the full audio spectrum. “For those who savor great sound with Tivoli’s penchant for simplicity and minimalism, the RadioCombo simply can’t be beat.” (Radio World)

As with all Tivoli Audio® products, the RadioCombo system is compatible with iPod and other players. Give yourself – or someone else deserving – the stereo that sounds even better than it looks.

- **Designed by Tom DeVesto**
- **AM/FM tuner by audio legend Henry Kloss**
- **Exceptional hi-fidelity stereo**
- Large 5:1 ratio analog tuning dial
- Slot-loading CD player with remote
- Handcrafted, high-gloss, real wood cabinet
- Operates on both AC or 12V DC

Model Two Dimensions: 4.375"H x 8.375"W x 5"D  
Model CD Dimensions: 4.5"H x 8.375"W x 5.875"D  
Weight: 11.79 lbs.

Available in Piano Black with a silver faceplate and Dark Classic Walnut with a beige faceplate.

# Model CD™

Slot-Loading CD Player

## A CD player that outshines your CD collection.

The Platinum Series Model CD™ player features a hand-lacquered and polished high-gloss finish. Whether you're looking for a CD player to complement your Platinum Series Model Two™ stereo radio, or are in need of a smaller-sized CD player to add to a home stereo system, the Platinum Series Model CD player satisfies on both counts.

Its unique front-loading slot design makes loading a CD easy. The minimalist front panel has a large, easy to read display paired with the primary controls. The credit card-sized remote control adds Shuffle, Repeat, Volume, Intro, and Direct Track Access functions. On the inside, the Model CD yields excellent sound quality and superb shock protection. The Model CD player will play any standard CD and CD-R.

- Easy front loading slot design
- Plays standard CD and CDR
- Anti-shock protection
- Shuffle/repeat/intro features
- Stereo RCA, 3.5mm and headphone outputs
- Remote control included
- Connecting cable included
- Handcrafted, high-gloss, real wood cabinet
- Operates on AC or 12V DC
- Easy to use

Dimensions: 4.5"H x 8.375"W x 5.88"D

Weight: 4.5 lbs.

Available in Piano Black with a silver faceplate and Dark Classic Walnut with a beige faceplate.

Add Model CD to the Model Two™ to create a hi-fi system!

# Stereo Speaker

Right Channel Speaker

## Rich sound. Rich finish.

The Platinum Series Top-Firing Stereo Speaker features a hand-lacquered and polished high-gloss finish. Add the Platinum Series Top-Firing Stereo Speaker to your Model Three™ clock radio and turn it into a true stereo system, capable of filling a room with warm, rich, detailed sound that is sure to delight.

The Top-Firing Stereo Speaker is crafted from furniture-grade walnut wood that goes through a lengthy lacquer process and topped with a beige grille. It matches the Platinum Series Model Three radio perfectly, to create a stereo that looks as good as it sounds.

Placing the stereo speaker, with its 15' of cord, several feet from the main unit, provides the detailed imaging and accurate sound that is essential for stereo reproduction.

- **Designed by Tom DeVesto**
- **Expands equipped Tivoli Audio models into high-fidelity stereo**
- **15' connecting cable included**
- Handcrafted, high-gloss, real wood cabinet
- Easy to connect

Dimensions: 4.5"H x 8.375"W x 5.25"D  
Weight: 4.0 lbs.

Available in Dark Walnut with a beige grille and Piano Black with a silver grille.

# Music System

Digital AM/FM/CD Hi-Fi System

**You've seen other systems like this. But none to equal it.**

We use hand-lacquered wood where others are content with plastic. The Tivoli Audio® Music System – like all our products – incorporates one of the finest tuners available at any price. It is simple to use but sophisticated inside. “The Tivoli Audio Music System is exactly what an all-in-one system should be.” (*WIRED – Editors Pick, Best of Test*)

The Music System delivers full and expansive stereo sound – including a SpacePhase™ wide mode – from two integrated speakers and a down-firing, magnetically shielded, powered subwoofer. A self-adjusting lighted display provides the time and audio track information. “A CD player and radio with iPod capabilities in one sleek package – nothing looks better or sounds better than the Tivoli Audio Music System.” (*GQ – Best Stuff of the Year*)

Like all Tivoli Audio products, the Music System stereo is compatible with iPod® and other players.

Piano Black/Silver

Piano White/Silver

- High fidelity stereo sound
- SpacePhase™ equalizer for an expanded soundstage
- Dual alarms (wake to radio, CD, or tone)
- Slot-loading CD player
- Plays CD/CD-R/CD-RW/CD-Text/MP3/WMA
- Adjustable, built-in powered subwoofer
- Sleep timer
- Radio Data System (where available)
- 6 FM and 6 AM presets
- Handcrafted, high-gloss, real wood cabinet
- Ported design for enhanced bass response
- Large display adjusts automatically
- Battery back-up (2 “AA” batteries included)
- Compact remote control included
- 2 inputs to connect your iPod, TV or other device

Dimensions: 5.25"H x 14.125"W x 9.5"D  
Weight: 13.0 lbs.

Available in Dark Classic Walnut with a beige faceplate, Piano Black with a silver faceplate and Piano White with a silver faceplate.
