Wi-Fi Setup

The X100 allows full camera control, live previewing and playback of photos/videos on most Smartphones and Tablets.

1. Download the App onto your Smart Phone:
   **www.kaiserbaas.com/apps/x100-app**
   Kaiser Baas X100

2. Activate Wi-Fi on your X100 camera by pressing Wi-Fi button.

3. Go to the Wi-Fi settings on your Phone, you will see Kaiser Baas X100 in the list of available Wireless networks (WIFI_CAM_000).

Using Camera Modes

POWER

SHOOT

HOLD the POWER button for 5 seconds to turn the X100 ON.

Press the SHOOT button to start recording Video or taking Photos. To swap between Video Mode and Photo Mode HOLD the SHOOT button for 3 seconds and then release.

Wrist Remote
Please note: with the remote control you cannot turn
the camera on. Please ensure the camera is switched
on before using the remote. The remote is not
waterproof. To use the remote simply click the function
you would like to perform. No pairing or setup needed.
You may use only one remote per camera.
