UD10KP-LD, Rear,
populated

Basic Features

- Use the base drawer to store peripherals, thumb drives, extra cables, etc.
- Charges your devices, too—each cube includes a UL® approved power strip with a 15-amp circuit breaker.
- The laminated top on the cart provides a smooth work surface.
- Create custom configurations—simply stack lockers, then add optional drawers and a laminate top. Lockers and drawers quickly attach to each other using only four screws.
- Without casters, the maximum recommended height when stacking lockers and drawers is 82" (208 cm). With casters, do not stack more than 2 lockers. Casters attach directly to the locker body or drawer.
- Office gray finish.

NOTE: The picture at left shows one locker, one drawer, a laminate top, and casters. Other configurations are possible. Please contact Black Box Technical Support at 877-877-2269 or info@blackbox.com for help in choosing a configuration that suits your application.

Overview

- Store and charge devices safely and securely.
- Ideal for classrooms.
- Has a removable locking rear access panel for easy cable management.
- Each locker holds 10 devices. Dividers keep devices upright and protected from each other.
- Warranties: Locker: 1 Year
Power Strips: 1 Year

10-Device iPad, Chromebook, and Tablet Lockers
