

RB1290X3R Replacement Battery Cartridge

CyberPower's RB1290X3R UPS replacement battery cartridge restores life to UPS systems with internal batteries that have become weak or completely depleted. The RB1290X3R 12V/9AH batteries are certified to meet or exceed original manufacturer specifications.

All replacement cartridges come with leak-proof, sealed-lead-acid batteries that are pre-assembled for easy installation into your CyberPower UPS system.

Each CyberPower replacement battery cartridge ships with reusable packaging that can be used for delivery of expired batteries to a suitable recycling center. All CyberPower batteries come with an 18-month warranty.

Features

- Certified OEM replacement for CyberPower UPS
- Restores UPS performance
- Maintenance-free
- Leak-proof, sealed-lead-acid battery
- Reusable package for delivering expired batteries to a suitable recycling center
