

# 70" 10-Point Touch Interactive Commercial Display

Built-in Dual Core ARM CPU and Pre-installed ViewBoard Software

**CDE7061T**

For interactive learning in the classroom, or brainstorming in the boardroom, the ViewSonic® CDE7061T is the ideal interactive display solution to increase engagement and collaboration. With astonishing 10-point simultaneous touch capabilities and pre-installed annotation software, this 70" large format display lets multiple users write or draw on the screen with their fingers and styluses. An embedded ARM dual-core processor and Android® OS provide lightning-fast computing and smooth touch capabilities, ensuring that students and co-workers alike enjoy a responsive screen with each tap, pinch, and swipe. What's more, Flicker-Free technology and a Blue Light Filter help to eliminate eye strain from extended viewing periods. An optional slot-in PC provides additional computing power, while the included ViewBoard™ for Education software delivers more robust annotation options that make presentations in the classroom even more productive and interactive.

#### **Key Features:**

- 10-point multi-touch interactive screen
- Built-in ARM Dual Core CPU with 8GB storage
- Pre-installed ViewBoard software
- Optional slot-in PC
- Control multiple devices through RS232 or LAN

#### **Designed for:**

- Education
- Business
