

## 2 m (6.6 ft.) Premium High Speed HDMI Cable with Ethernet - 4K 60Hz

Product ID: RHDMM2MPW

This HDMI cable with Ethernet withstands the daily demands of connecting your HDMI devices. Tested to endure strenuous wear and tear, the rugged HDMI cable is a must-have for both business and consumer applications.

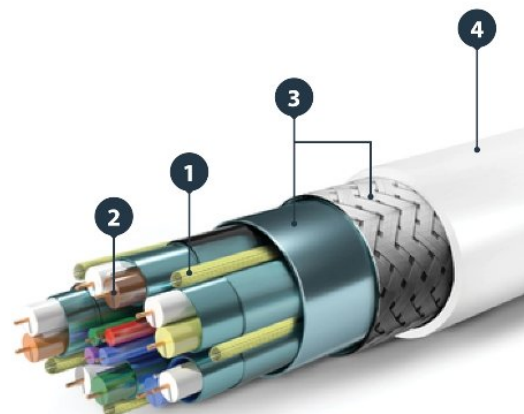

### **Built for Daily Use**

This Premium Certified HDMI cable has aramid fiber reinforcement that braces it from the stress of frequent bends. This also lets the cable flex without over-stretching or damaging the core of the cord.

## Premium High Speed HDMI Cable Key Features

- 1. Aramid fiber adds strength and durability to the cable
- 2. Insulated conductors reduce friction, provide more flexibility
- 3. EMI protection with aluminum-mylar foil with braided shielding
- 4. TPE cable jacket is more flexible than a standard PVC cable

## Flexible Strain Relief

The cable is constructed to prevent the connector from separating from the jacket. The extra-long strain relief molding is tested to withstand over 10,000+ bend cycles at a 180° angle.

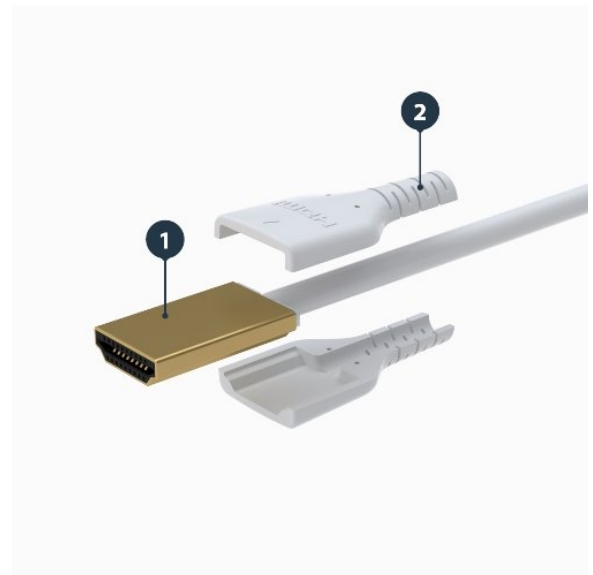

## Connector Key Features

- 1. HDMI gold plated connector with metal shield protects the circuit board from EMI and reinforces the connection point
- 2. Strain relief tested to tolerate over 10,000+ bend cycles at a 180° angle

Supporting all HDMI 2.0 specifications, this 6ft white HDMI Premium Certified cable supports resolutions up to 4k 60Hz with a bandwidth of up to 18Gbps. The short male to male HDMI cable also supports HDR for higher contrast ratio and vivid colors providing an enriched and enjoyable viewing experience.

RHDM2MPW is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Note: DuPont™ and Kevlar® are trademarks or registered trademarks of E.I. du Pont de Nemours and Company.

### Certifications, Reports and Compatibility

### Applications

- Connect 4K/Ultra HD displays and devices

### Features

- Connect your monitors using a certified HDMI cable built to withstand daily use
- Durable HDMI cable is reinforced with Kevlar aramid fiber for increased tensile strength that is 5x stronger than steel
- Extended strain relief tested to tolerate over 10,000+ bend cycles at 180° angle
- With a soft TPE jacket, it provides flexible connections with this 2-meter HDMI cable
- Supports all HDMI 2.0 specifications for an enjoyable viewing experience

<b>Hardware</b>	Warranty	Lifetime
	Cable Jacket Type	PVC - Polyvinyl Chloride
	Cable Shield Type	Aluminum-Mylar Foil with Braid
	Connector Plating	Gold
<b>Performance</b>	Audio Specifications	Up to 32 audio channels with 1536Hz sampling rate
<b>Connector(s)</b>	Connector A	1 - HDMI (19 pin) Male
		1 - HDMI (19 pin) Male
<b>Physical Characteristics</b>	Cable Length	6.6 ft [2 m]
	Color	Black
	Connector Style	Straight
	Product Height	7.700
	Product Length	2000.000
	Product Width	17.000
	Weight of Product	52.000
	Wire Gauge	30 AWG
<b>Packaging Information</b>	Package Height	20.000
	Package Length	150.000
	Package Width	182.000
	Shipping (Package) Weight	103.000
<b>What's in the Box</b>	Included in Package	1 - HDMI Cable
