

HIGH CAPACITY COMPACT PORTABLE DVD WRITER

The MediaStation™ 8x Portable DVD Writer DVSM-PT58U2VB is an affordable, portable DVD writer with M-DISC™ support for longer life recordings. This external DVD writer is the ideal companion for a laptop or netbook and is a high quality alternative to laptop manufacturers pricey options. The MediaStation™ 8X Portable DVD Writer includes an integrated USB F-cable that snaps to the chassis for mobility. Powered by your laptop USB ports, no AC adapter is necessary and the sophisticated LED power indicator will let you know how many USB ports are necessary to power the DVD writer. The MediaStation™ 8x Portable DVD Writer also includes the CyberLink Media software suite for Windows letting you create CDs and DVDs with music, pictures or videos with ease. This portable DVD writer is covered by Buffalo's 2-year warranty.

FEATURES

ULTRA-SLIM AND COMPACT

Designed for your mobile lifestyle, the MediaStation™ Portable DVD Writer is USB powered. Just plug it into a free USB port and you are ready to go!

USB BUS POWERED WITH LED POWER INDICATOR

The MediaStation™ 8x Portable DVD Drive includes two integrated USB cables that snap to the chassis for easy mobility. An LED power indicator lets you know if one or two USB cables are required to power the DVD drive. Powered by your laptop USB ports, no AC adapter is necessary. Most laptops require one USB port to operate properly, however, a red LED will glow if you need to connect the second USB cable to power the unit.

USB CABLES SNAP TO CASE FOR EASY MOBILITY

The MediaStation™ 8x Portable DVD Writer includes two integrated USB cables that snap to the chassis for easy mobility.

M-DISC™ SUPPORT

The MediaStation™ DVSM-PT58U2VB now offers M-DISC™ support to ensure your files last a lifetime. M-DISC™ recordings are resistant to light, temperature and humidity and have been proven to last 1,000 years.

CYBERLINK MEDIA SUITE

Ideal for users seeking the best playback and burning performance of DVDs or CDs on their PCs, the DVSM-PT58U2VB comes bundled with CyberLink™ Media Suite for Windows®.
