HP ENVY 23 58.4 cm (23") Diagonal IPS LED Backlit Monitor

Bringing IPS performance to the mainstream

The display that defines the wow factor. Bring your small screen content into the big leagues. Experience edge-to-edge presentation of all your games, movies, and content plus Beats Audio™ sound in a stunning IPS display.

Super-size your small-screen content.
Connect to a wide range of devices and seamlessly stream content from your phone or tablet to your 58.4 cm (23") diagonal display with one VGA and two HDMI inputs.

Enjoy great color and views from almost any seat in the room.
Get great 178-degree viewing angles and stunning color integrity from In-Plane Switching (IPS) technology. Share videos, photos, games, and more with everyone in the room.

Enjoy your sound the way it was meant to be heard.
Tune in to a total, immersive audiovisual experience with the Beats Audio™-integrated headphone jack. Quick keys deliver easy access to volume and mute controls.

Massive views in a stylish and deceptively small footprint.
Bring your digital world to life with Full-HD resolution[1] on a large 58.4 cm (23") diagonal screen. Enjoy impressive video and graphics presentation from the 10M:1 dynamic contrast ratio[2].
Get maximum, unobstructed views of your images and onscreen content from the edge-to-edge borderless screen. Reclaim your desk space with a narrow base that gives you more room to maneuver.

Multi-task to your heart's content.
Control power saving modes, save user settings for easy start up, and more with the step-by-step guide of the preinstalled HP My Display software. Keep multiple application windows open at the same time and devote separate panels to watching videos or playing games, checking e-mails, and keeping track of social media streams.

Be a better environmental consumer.
IPS technology helps you reduce power consumption costs vs. legacy LCD technology. Show off your environmental smarts with design elements such as mercury-free LED backlights, low halogen components[3], and arsenic-free display glass.

[1]High definition (HD) content is required to view high-definition images.
[2]All performance specifications represent the typical specifications provided by HP's component manufacturers. Actual performance may vary either higher or lower.
[3]External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.

HP ENVY 23 58.4 cm (23") Diagonal IPS LED Backlit Monitor
