EPSON STYLUS
# SX510W SERIES

This fast, high-quality all-in-one has Wi-Fi, a large 6.3 cm LCD viewer and memory card slots. It's cost-effective too because with individual inks, you only have to replace the colour used.

Enjoy wireless access to this fast, high quality all-in-one and make printing and scanning even easier. With the large 6.3 cm LCD viewer you can also view, select and print your photos straight from your digital camera's memory card without the need to switch on your PC.

Whether you print photos or make quick copies of documents, Epson DURABrite Ultra Ink gives you superb prints that are resistant to water, fading and even highlighter pens. And with individual inks you only need to replace the colour used, which saves you money too.

- The fast, high-quality all-in-one with Wi-Fi and Ethernet connection
- View and print photos from your memory card using the large 6.3 cm LCD viewer
- Save money with individual inks – only replace the colour used
- Epson DURABrite Ultra Ink for high-quality documents and lab-quality photos
- High-speed printing of up to 36 pages per minute
- Direct printing from PictBridge compatible digital cameras
- Remove red-eye and enhance your images with Epson Easy Photo Print
- Make quick copies and print photos without using a PC

3-in-1 | Print 36ppm | Scan 2400dpi | Copy
