

Bluetooth® digital pen with tilt functionality

Elevate your creativity with the improved precision of the HP Tilt Pen. Write, draw, and compute as naturally as ever with true-to-life feel creating a seamless and enjoyable working experience.

Tilt. Shade. Create.

Feels as natural as putting pen to paper with tilt for improved precision and pressure detection for shading at different angles, giving you a true-to-life drawing experience.

Integrated presenter controls

Activate presentation mode to conveniently move your cursor, flip through slides, and highlight key points of your presentation—without the need for a clicker.

Featuring

Bluetooth® button

Set your customizable Bluetooth® button as a tail end eraser, and launch functions with a quick click.

Charge easily. Work smoothly.

With up to 10 hours of battery life and a rechargeable feature, you can focus on work instead of recharging.[1]

Compatible with Windows Ink

Naturally drive content, ideas, and drawings forward with digital pen-based computing and Windows Ink.[2]

Latest N-trig Technology

Improved technology allows you to write, draw and navigate with precision.[2]

Precision tip for complete control

Precision tip and pressure sensitivity gives you complete control, as if it's pen to paper.
