

HS-M270

Entertainment for your active lifestyle

Genius
Live with Ideas

Genius' new sport headset, HS-M270, is the perfect companion for listening to music during exercise, a work out or on a bike. Crafted with the easy-to-fit ear-hood design that ensure the earphones stay on the ears securely and fit comfortably, HS-M270 offers a secure music listening experience. In-line playback controls and microphone allow you to play, pause, track forward/backward and switch to call/talk directly from the audio cable. Using sweat resistant material, HS-M270 guarantees the durability and hygiene during any outdoor exercise or activity.

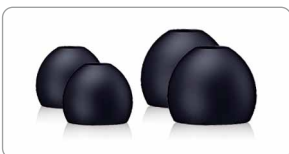

Easy-to-fit ear hood design can mold to your ear, is secure and fits comfortably

In-line music playback control and microphone allows switching between music plays and calls

Maximum durability, ruggedness, and sweat resistant

Two sizes of silicon tips offer a perfect fit

Convenient storage pouch and cable clip included
