

HP Healthcare Edition HC271p Clinical Review Monitor

The perfect prescription to protect data and provide a cleaner workplace.

Give your clinicians a security-enhanced display optimized for patient rooms, nurses stations, medical carts, and public areas with the HP Healthcare Edition HC271p. It has an integrated privacy filter and is built for easy, repeatable sanitization.¹

Promote patient safety

- Be ready for the next patient or user with a display and optional stand² that are sanitizable with germicidal wipes.¹ The display is IEC 60601-1-2: 2014 compliant³ for use near patients and staff and the front is IP 32⁴ rated against water ingress.

For your eyes only

- Support HIPAA regulations and protect confidential data with our first 27-inch diagonal clinical review display with an integrated privacy filter. It deters visual hacks by ensuring that you're the only one with a direct view of your screen.

Create an efficient workspace for high-traffic areas

- Attach⁵ select HP PCs behind the display for a compact, integrated solution that's perfect for busy and shared spaces like nurses or charting stations. Mount⁶ on a medical cart, wall or arm with the VESA pattern.

Featuring

- View up to 60% more of your medical images and records onscreen with a Quad HD 2560 x 1440 resolution, 27-inch diagonal display.
- Connect PCs and specialty devices with HDMI, DisplayPort™, VGA, and USB ports.
- Get the reassurance of a display that's built for a long life, rigorously tested, and backed by the stringent HP Zero Bright Dot Guarantee.
- Work comfortably with adjustable tilt, height, and swivel settings on the optional, sanitizable stand.
- Rest assured that your IT investment is supported by a three-year standard limited warranty, and optional HP Care service.
