HP Pavilion HPE h9-1040uk Phoenix Desktop PC

HP recommends Windows® 7.

Expertly engineered for incredible performance, with extreme speed, expandability and style, HPE Phoenix is a top-of-the-line Gaming PC that will set you apart from your rivals.

Screams power, works quietly

The HP Pavilion HPE Phoenix is packed with power. Lightning-fast Intel processors, screaming graphics cards and optimized software deliver incredible performance and visual rendering for all your favourite games, HD videos and digital creations.

Cutting-edge style

Housed in an armour-like casing with refined aesthetics, exterior and interior illuminations and a built-in landing pad for all your digital devices, the HPE Phoenix looks as good in the living room as it feels while gaming.

Get inside the game

Hear your music exactly the way the artist intended it with HP exclusive Beats Audio™ technology. For movies and games, the incredible surround sound capability will let you hear all the highs, lows and crystal-clear mid-ranges other desktops lose.

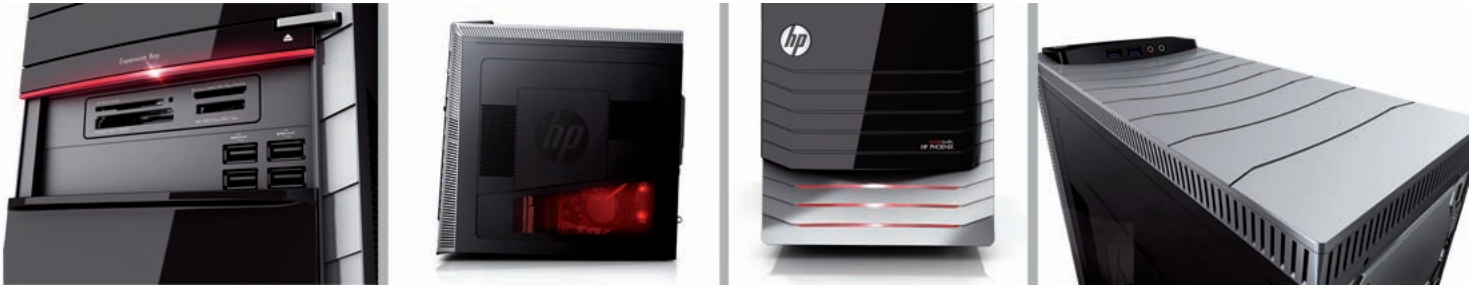

Maximum scalability

Be on top of your game with Phoenix's expandable storage capability supporting up to 3 standard hard drives and a 600W power supply. Plus - maximize data transfer with top-mounted USB 3.0 ports for super-speed connections to external hard drives.

Best of both worlds

HP LinkUp software lets you access, view and interact with the content and programs on your notebook PC from your HPE Phoenix – wirelessly, via a home network, and without any file mix-ups or complex synchronisation.

HP Pavilion HPE h9-1040uk Phoenix Desktop PC
