Overview:

Cut the cord with your mainstream cable provider and switch to the Aluratek Digital TV Converter Box. ADTB01F allows you to view and record your favorite TV channels at no additional charge. Just insert a standard USB drive or external hard drive to the USB port on the front panel, and keep your recordings as long as you want!

The Digital TV Converter Box tunes into the HD broadcast with your antenna*, using the pre-set remote functions. The built-in Electronic Program Guide (EPG) lists upcoming programs for you to record instantly or on a timer, so you won't ever miss your favorite shows! The Digital TV Converter Box is perfect for cutting costs and being able to record TV shows to watch at your convenience.

*External antenna not included

Features:

- Record instantly or on a set schedule using the recording functionality
- Watch all of your favorite shows by tuning into your favorite TV channels at no additional cost
- Keep track of upcoming shows and your recorded shows in one cohesive place using the Electronic Program Guide feature
- Easily change channels and record using the pre-set buttons on the included remote
- Never miss a show while you're away from your TV, just set the record timer to record whenever you please
- Self-powered SSD and HD
- Cut the cord with the cable company and save a tremendous amount on your cable bill every month!
- Limited 1 Year Warranty
