FHD Ready

Experience the highest definition possible today with Full HD 1080p. Blu Ray movies and next generation gaming come to life on your screen with the 1920 x 1080 resolution providing such a clear image you truly feel part of the action.

30000:1 Dynamic Contrast Ratio

With a Dynamic Contrast Ratio of 30000:1, images are presented with power, precision and lifelike detail. The Digital Dynamic Contrast is controlled by a variable backlight behind the panel. The internal dimming or brightening of the PDP backlight creates incredibly dark and bright images making for a clearer natural image.

Entertainment mode

Entertainment mode provides 3 preset hot-keys which allow you to access an optimised viewing environment for movies, games and sports. With dynamic fast motion imaging, detail enhancement and colours that burst with life, Entertainment mode will engage your attention and put you right in the picture.

4 HDMI

100% pure digital connection synchronises audio and video signals, ensuring no data loss and pure viewing perfection. Equipped with 4HDMI inputs, the SAMSUNG LCD TV Series 4 is more than a sensational TV; it has the ability to be the centre-piece of your digital world. The addition of

DNie Pro

Indulge your eyes with the clearest, most natural images imaginable. DNie Pro produces an incredible depth of detail that captures your eyes and unlocks your senses. Its advanced Colour and Motion Optimisers deliver incredibly lifelike images, and Contrast and Detail Enhancers combine to provide you with greater depth of colour.

Anynet+ (HDMI CEC) allows you to control all connected AV devices from one remote control, giving you a more integrated entertainment experience.
