Product Description

BungeeAir™ Power is the essential 3-in-1 accessory for your iPhone 4 with a wireless security tether, battery and case. Just attach the BungeeAir™ fob to your keys or purse and never lose or forget your iPhone again. When you and your phone are separated, the iPhone screen locks automatically and sends an alert to the BungeeAir™ fob. A convenient app lets you customize security settings and also find your misplaced keys and fob.

Features

- BungeeAir features:
 - Rechargeable power case adds 4 hours of extra talk, 5 hours of video, 22 hours of music
 - Power case provides the power you need to enjoy multitasking between Apps, FaceTime calling and more
 - Micro USB charge and sync port (charge and sync cable included)
 - LED battery indicator
 - Insert the provided card stand and the two-position stand holds your iPhone 4 handsfree in portrait or landscape mode
 - Battery chemistry: Lithium Polymer
 - Input/Output: 5 VDC at 0.5 A
 - Works with iPhone 4. iPhone not included
 - Extended talk time listed based on iPhone 4. As your Kensington PowerGuard is used over time, it will have a reduced ability to provide extended time and the time will decrease from that shown above
 - Creates a wireless tether between your iPhone and your BungeeAir fob (adjust range in App)
 - Remind feature: BungeeAir™ fob alarms when iPhone is out of range to prevent loss
 - Find feature: Use your iPhone to find your fob, use your fob to find your iPhone
 - Secure feature: Automatically locks your iPhone when left unattended
 - Portable BungeeAir™ fob attaches to your keys, handbag and more
 - Free BungeeAir™ App gives you control of the wireless security tether functionality and settings
 - Interference free 2.4GHz technology is ideal for offices
- Power case features:
