EB-L615U

LASER | 24/7 | 5 YR |
WUXGA | 6000 lm |
HDBaseT | Wi-Fi®

Versatile entry-level laser projector with 6,000-lumen WUXGA performance, ideal for replacing existing lamp-based projectors.

The EB-L615U is an entry-level laser projector and the ideal replacement for existing lamp-based models in meeting rooms and educational establishments. It offers outstanding 6,000-lumen brightness, Full HD WUXGA resolution, and a range of great features including HDBaseT and HDMI connectivity, screen-mirroring and lens shift.

Affordable laser performance
The EB-L615U offers impressive 6,000-lumen brightness and WUXGA Full HD resolution at an affordable price, meaning you can upgrade to laser performance and reliability without paying a premium. Pin-sharp image quality and equally high White and Colour Light Output give your presentations impact, even in brightly-lit rooms.

Useful connectivity features
This projector offers a range of handy connectivity features, including HDBaseT for straightforward wired connection over a single cable, plus HDMI and screen mirroring.

Reliable and durable
The EB-L615U is based around Epson's proven laser technology, which offers fit and forget reliability to keep maintenance to a minimum. The projector is covered by a five-year, 20,000-hour guarantee.

Easy, flexible installation
Lens shift and a smaller, lighter casing than products of similar brightness[1] makes it easy to replace existing units with the EB-L615U, while laser technology means these projectors can be mounted at and project from any angle, making them ideal for any scenario.

Stylish new design
A fresh, new casing design means that the EB-L615U will look completely at home in even the most style-conscious of new developments. It also comes with a matching rear cover to conceal leads and connectors, for a streamlined look.

KEY FEATURES

- **6,000-lumen brightness**
  Crisp images and bright colours, even in well-lit rooms
- **WUXGA resolution**
  Sharp Full HD picture for excellent readability
- **HDBaseT and screen mirroring**
  The latest connectivity features for maximum ease of use
