

# Epson WorkForce AL-M200DN

## DATASHEET

The Epson WorkForce AL-M200DN LED printer features double-sided printing, fast print speeds and a large duty cycle for high-performance printing. With one of the best Total Cost of Ownerships (TCOs) in its class, this model offers an affordable solution for small office and home office users.

The WorkForce AL-M200DN is network-ready for sharing across small workgroups, but can also be used on individual user desktops thanks to its compact size. It also features a retractable paper tray which, when the printer is not in use, can be folded away.

The Epson WorkForce AL-M200DN's toner cartridge is easy to replace. Users simply insert the cartridge into the toner slot and twist to connect. No mess, no hassle, no problem.

In addition, users can print and share from anywhere in the office, thanks to Epson's mobile printing app, Epson iPrint. This easy-to-use application allows workers to print wirelessly from smartphones and tablet PCs\*1.

With the WorkForce AL-M200DN, businesses can concentrate on their work, without any downtime, as its high-performance, user-friendly features offer great peace of mind and productivity.

C13S050710 (5,000 pages)

### TONER CARTRIDGE COLLECTION PROGRAM

This free service helps us to collect and recycle used Epson toner cartridges in a safe and environmentally-friendly way. There are three easy ways to dispose of your empty cartridges and take an action role in reducing waste:

- Put them in a toner cartridge collection box which will be picked up once full
- Return them free of charge by Post
- Drop them off at an Epson Express Center. Please visit [www.epson.com/recycle](http://www.epson.com/recycle) for more details about the program.

1. Epson iPrint-enabled printers must be on the same network subnet as the smartphone and tablet PC being used. For more information, supported languages and devices, please visit [www.epsonconnect.eu](http://www.epsonconnect.eu)

2. Determined in accordance with ISO/IEC 24734 showing the average of ESAT / FSOT from the Office Category Test for default simplex / duplex. For more information visit [www.epson.eu/testing](http://www.epson.eu/testing)
