

Security Case with Kickstand and Anti-Theft Cable for iPad Pro 10.5

Security Case

This sleek, portable enclosure offers exceptional functionality and security for your iPad Pro 10.5, making it an invaluable accessory for tradeshows, conference rooms, classrooms, restaurants, and doctor's offices. Your tablet stays protected with the galvanized steel anti-theft cable, which snaps easily onto the case rear locking it shut, and attaches at the other end to any permanent fixture. The tough ABS case features openings for all cameras, ports, and jacks, while a rugged outer silicone jacket offers impact protection, keeping your tablet safe from fall or collision damage. This clever case is also outfitted with a convenient folding kickstand for impromptu display setup.
