

More performance and protection than ever before

Original HP Toner cartridges with JetIntelligence

Give your business peak printing performance and the added protection of anti-fraud technology⁷—something the competition simply can't match.

More Performance ColorSphere 3 toner

- Low melt core = faster print speeds with HP quality
- Hard shell = durable toner for higher yields

Precision black toner

- Spherical shape = more pages, sharp text, bold blacks, and crisp graphics
- Encapsulated design = less energy, enables faster print speed

Page maximizer technology

- Built with smaller, more robust parts⁸
- Count on consistent output with less cartridge wear⁸

Print gauge technology

- More dependable gauges⁹ to ensure you get the most prints possible from your cartridges

More Protection

Anti-fraud technology⁷

- Helps you identify the difference between Original HP and used or counterfeit cartridges
- Supports policies you set for your printing fleet

Auto seal removal

- The toner seal is automatically removed for you
- Get right to printing without delays
