

# Verbatim 10-Pack Boxes

Add Verbatim's wide array of CDR and DVD+/-R in 10-pack boxes to your product line-up! This convenient package size is easy-to-display, attention-grabbing and eco-friendly.

## Key Features

### Easy to Display

This 10-pack blister works perfectly for peggable, in-store shelf displays and end caps. The hanging tab and box structure make this a super-versatile size. You can hang the pack or stand it alone on the shelf as needed! Want to hit the impulse shopper? This 10-pack is the ideal size and the perfect price to place near a checkout counter.

### Attention-Grabbing

Customers are attracted to the bold, attention-grabbing colors of these Verbatim 10-pack boxes! Not only do the colors grab, the clear window allows customers to see unique disc prints like our Digital Vinyl™ and DigitalMovie™ optical media.

### Eco-Friendly

Compact and made with minimal packaging, this right-sized box allows for master carton and pallet optimization. Additionally, the package is easy and safe to open and can be fully recycled.
