

DURASCAN[®] WITH CHARGING DOCK

Ergonomic, Elegant and Rugged

The DuraScan 700 Series bundle comes with a Bluetooth barcode scanner and a Charging Dock to conveniently charge and store the scanner. Socket Mobile offers the D700 linear, D730 laser, D740 universal, D750 universal barcode scanner, and D760 universal barcode scanner and passport reader to choose from. All are compatible with Apple iOS, Android OS and Windows PC. The scanners have a lightweight, ergonomic construction, and a long-lasting battery to survive an entire work day. There are LED light indicators for battery monitoring, Bluetooth connection and scanning notification that make the scanners more intuitive to use.

With the Charging Dock, the Socket Mobile 700 Series has a home to charge and remain serviceable simultaneously, without wires. It is elegant, functional and compact. Use the Charging Dock to avoid downtime by always having your barcode scanner charged and ready to go.

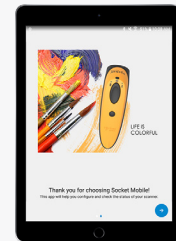

Certified by Apple[®] for iOS devices (iPad[®], iPhone[®], iPod Touch[®]) and compatible with Android and Windows[®].
