## Delightful sound in a lightweight design

These wireless over the ear headphones provide exceptional sound quality and music clarity, no matter the genre of music, you will clearly hear every note. Foldable and lightweight, they are designed to fit perfectly. It is compatible with Bluetooth® devices to provide a stable wireless connection and includes a 3.5mm auxiliary cable that allows you to use it with non-Bluetooth® devices. The built-in controls make it easy to adjust your music and answer phone calls. Features a practical design with foldable earcups. Listen to powerful sound for up to 10 hours of pure pleasure. Enjoy maximum comfort with its expandable headband.

## Highlights

- Enjoy up to 10 hours of music
- Bluetooth® v5.0 that delivers a stable wireless connection and greater range
- Lightweight design that fits perfectly
- Rotatable earcups provide flexibility
- Hands-free mode for active lifestyles
- MicroSD™ card slot offers flexibility to listen to your stored music in different formats
- Padded earpads for all day comfort

\* Range estimate is based on an area free and clear of obstacles and interference, and within the line of sight between devices.

\*\* Depending on the volume level and type of music file being played.
