Dell Eco Spruce Backpack 15

Model #: ONB575US

Marketing Description:

Protect your gear while protecting the planet with the Dell Eco Spruce Backpack 15. Constructed of polyester made from recycled plastic bottles with nickel-free hardware, the backpack helps to reduce your carbon footprint without sacrificing design, durability or functionality.

- **Eco-friendly materials** – Manufactured with fabric woven from 100% PET polyester fiber, nickel-free hardware, and PVC-free plastic components
- **Checkpoint-friendly** – Backpack unzips to lay flat to enable easy airport X-ray scanning without removing your laptop
- **Smart Organization** – Plentiful pockets keep your accessories and travel essentials neatly organized.

Product Features and Specifications:

- Made from 100% recycled PET polyester and PVC-free material
- Patented checkpoint-friendly design unzips to lay flat for TSA screening
- Dedicated laptop and tablet compartments
- Organized workstation for supplies and other essentials
- Trolley pass-through easily attached backpack to rolling luggage
- Convenient quick-access pockets to stash your gear
- Water bottle holder
- Durable, water-resistant base
- Ability to customize with branding/logo
