

15Z980-A.AP71U1

LG gram 15.6" core i7 Processor Ultra-Slim Laptop

15.6-inch Full HD IPS Screen

Intel® Core™ i7 Processor

16GB RAM & 512GB SSD

Windows 10 Professional (64 bit)

Ultra-thin 0.7" thickness

Extremely light 4.2 lbs

DTS™ Headphone: X

The LG gram is the ultimate tool for the business traveler. It combines a tough, lightweight body with an ultra-thin form factor, excellent performance and great battery life. The spirit of "no compromise" continues with the gram's DTS™ Headphone: X technology, which transforms your headphone listening experience to simulate a 3D listening environment surrounded by high-quality speakers.

Light Weight

The LG gram 15.6-inch laptop offers great screen size without the weight. With gram's innovative design and construction, this laptop weighs just over 2.4 pounds, so it's easy to take anywhere.

Tough & Low Profile

The sleek metal alloy body of the LG gram combines advanced nano carbon with magnesium to create a light weight yet durable housing for the computer that's still beautifully thin, at 0.7" thick.

Multiple Ports Including USB Type C

Connect it all with gram's host of popular ports. Gram's USB Type-C port assures high-speed data transfer and video output. The USB 3.0 supports higher transfer speeds and high-power charging, while the HDMI port lets gram connect easily to high-definition displays.

Long-Lasting Battery

Portability is a function of battery life in addition to size and weight, and this LG gram has been designed to keep going with up to 16.5 hours of power*, to hit deadlines and keep streaming long after others have quit.

*MobileMark® 2014 standard. Battery life will vary from specifications depending on model, setup configuration, applications used, features utilized and power management settings.
