Heart rate sensor

Charge your device

Charge the battery before using the Gear for the first time.

Charger

Connect the Gear to the charger with the **Power/Home** and **Back** buttons face up.

Note: The charging head for plugging the USB cable into a wall outlet is not included.

Use only approved Samsung charging devices rated with an output voltage of 5v and an output current of over 150mA (sold separately). Samsung accessories are designed for your device to maximize battery life. Using other accessories may invalidate your warranty and may cause damage.

Health management

Sync the Gear with a Samsung Health app, to monitor your heart rate and manage your fitness goals.

Download from Galaxy Apps or Playstore.

Connections

To connect your Gear and smartphone, install the Samsung Gear app.

Download the Samsung Gear app from Galaxy Apps or Playstore.

1. Ensure the Gear is on.

From a Samsung smartphone:

2. Launch the **Samsung Gear** [icon] app; update app if needed.

3. Pick your Gear.

4. Turn Bluetooth on.

5. Confirm the Bluetooth passkey on both devices, and then tap **OK**.

6. Follow the prompts to complete the setup.
   Once connected, follow the tutorial to get started.

For other smartphones:
Download the Gear app from the Playstore or the App Store.

Compatible with select devices using Android 4.4 and later or iOS 9.0 and later, with at least 1.5 GB RAM. Supported devices may vary by carrier and device. Some features may not be available. For best results, connect with compatible Samsung Galaxy devices. For a list of compatible smartphones, please visit **samsung.com/us/gearfit2pro**.

Remote connection
Remotely connect the Gear to your smartphone using a Wi-Fi network.

◆ From the smartphone, tap
  Samsung Gear 🔘 → **SETTINGS** →
  Gear connection → **Remote connection**.

  Note: The Gear and your smartphone
  must be connected to the same Wi-Fi
  network.

Standalone
The Gear can be used without being paired
to a smartphone or Wi-Fi network.

1. Ensure the Gear is on.

2. Select a language to use and tap
   Next.

3. Follow the prompts to complete the
   setup.

   Note: Some features may not be
   available.

Customize

From the smartphone

◆ Tap **Samsung Gear** → **SETTINGS**

- Tap **Watch faces** to change the look of the clock.

  Tap **STYLIZE** to customize the watch face.

- Tap **Notifications** to manage your notifications.

- Tap **Apps layout** to remove, and organize apps.

- Tap **Samsung Galaxy Apps** to download and install apps for your Gear.

From the Gear

1. Touch and hold the Home screen, and then select a watch face.

2. Tap **Stylize** to customize the watch face.

Home screen

View the time, date, and access the Status panel.

Home

Notifications   Widgets   Add widgets
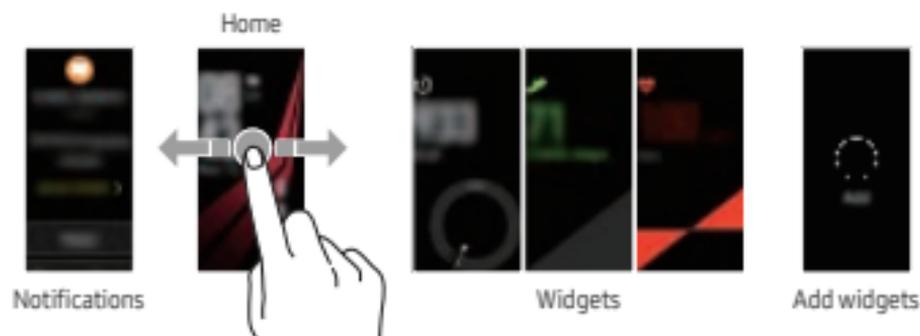

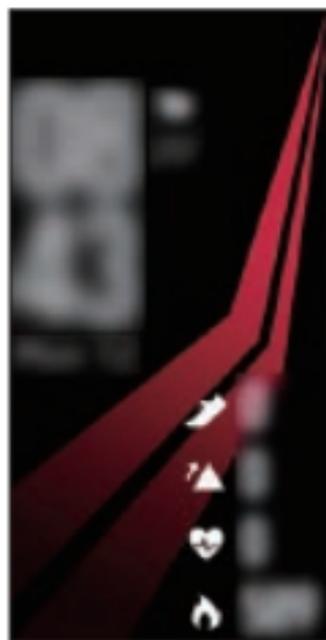

◆ Swipe left to view notifications or right to view or add widgets.
