Outstanding multimedia  
performance – anytime, anywhere  
Samsung Notebook X125

[www.samsungcomputer.com](http://www.samsungcomputer.com)

Windows®. Life without Walls™. SAMSUNG recommends Windows 7.

The Samsung X125 notebook is so portable a world of multimedia entertainment is always at your fingertips – helping you enjoy life even more when you're jet-setting around or always on-the-go. At just 24.5mm deep and expertly crafted with a perfectly smooth and robust casing, it's very safe and easy to carry with you almost anywhere. So you can make the most of your time by staying connected to your friends and family, organizing calendars and "to do" task, creating, viewing and editing files or browsing and researching online. And despite its affordable price, it also includes Windows® 7 Home Premium and powerful 3D graphics that deliver an outstanding multimedia performance, especially for playing the latest games and high definition (HD) content.

## Why Samsung PC?

### A TRUSTED BRAND

Through a dedication to quality, performance, technology, design and service, Samsung has risen to become one of the fastest growing PC vendors in the world. This has helped Samsung become the largest electronics company in the world.

### BETTER PERFORMANCE & BETTER TECHNOLOGY

Samsung PC products are continually celebrated by the world's media for outstanding performance – including "Product of the Year 2009" awards from Wired (US), Mikro PC (Finland), and PC World (China & Poland).

### UNRIVALLED PRODUCT QUALITY

We manufacture the vast majority of our laptop components, so we can be certain they are world class. Our vigorous quality assurance program and ISO standard manufacturing process, also ensure that only the best products make it through to the customer.

### DESIGNED TO TURN HEADS

Through worldwide design centers and partnerships with product designers, we have created laptops with style that have won prestigious design awards such as the iF and IDEA Design awards and the Good Design 2009 "Gold Award".

### WORRY-FREE SERVICE

We're committed to providing the best, most timely customer service in the industry and proud to be recognized as the leader in customer service satisfaction (ranked #1 for customer satisfaction in the notebook PC category by C'T Magazine Germany in May2010).

# Windows® 7

Windows®. Life without Walls™. SAMSUNG recommends Windows 7.

## Outstanding multimedia

The X125 is designed to enhance your life on the move with its powerful graphics, ultra-sharp LED screen and comprehensive multimedia sharing capability.

### Exceptional graphics performance

Powerful **ATI Radeon™ HD4225** graphics provide advanced 3D image processing for optimized multimedia performance, including 3D gaming and HD content play.

### Easy multimedia content sharing

**AllShare™** technology makes it easy to search, play and control multimedia content, including video, photos and music, in multiple Samsung devices.

### 11.6" HD LED display

Provides the sharpest images and boldest colors. Its proper **16:9** aspect ratio also ensures the most accurate representation of HD movies and games.

## Effortless mobility

Uniting an extensive battery life with ultra-lightweight and durable design the X125 makes anytime, anywhere mobile computing a practical reality.

### Ultra portability

The slim, ultra thin design lets you carry less and do more. It's just **24.5mm** in depth and completely smooth and rounded, so it easily slips into almost any bag, case or carry-on.

### Durable and stylish

The sleek and stylish design features a matt white exterior and glossy black interior for a distinctively elegant look that fits a modern mobile lifestyle.

### Bluetooth 3.0 High Speed\*

Wirelessly transfer music, pictures, films and any other data between devices at an ultra high speed **24 Mbps**, **8x faster than Bluetooth 2.0**, with enhanced power control for more battery life.

### Super silence

A silent mode can be used to make your personal environment more comfortable and pleasant and is perfect in noise-sensitive locations.

## Added protection

The X125 is the ideal choice if you like to play things safe, as it is designed to protect you and your data from the risks of everyday life.

### Simple data back up

**Samsung Recovery Solution** automatically and regularly backs up your data to give you the peace of mind that you're always protected.

### International warranty service

Samsung's award-winning warranty service\*\* provides a fast track collection repair and return service in order to minimize disruption and get you going again as quickly as possible.

\* Factory option.

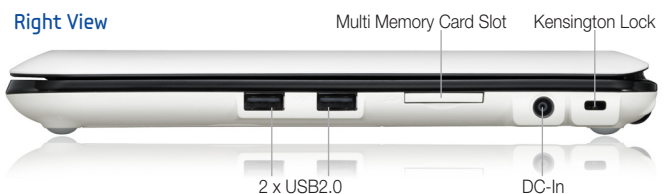

\*\* Warranty service availability and response times may vary from country to country and may also be subject to registration requirements in the country of purchase.
