

00867

More features for greater precision and convenience.

The cutting machine that grows with your needs !

The new 867 guillotine is available with optional features to suit your specific cutting needs. This innovative and newly designed guillotine cuts pressure-sensitive material without a problem because the automatic clamp can be activated and deactivated whenever necessary. A front table, narrow-strip cutting device and battery-powered laser module are available for even greater convenience.

- Sturdy metal table.
- Screw-mounted, ground upper and lower blade in Solingen cutlery steel.
- Automatic safety guard.
- Selectable and de-selectable clamp.
- Two scale bars.
- Sturdy metal backstop in guide channels.
- Table marked out in DIN sizes.
- Integrated recessed grips.
- 5-year warranty, excluding wear parts!
