

FM / AM Radio | 1.8 W | Carrying Handle | Grey / Black

General information

If you love listening to music while you're on the go, this pocket-sized Nedis® FM / AM radio with carrying handle offers the perfect solution. It is easy to take with you wherever you go.

Just use the mains power cable or put in 3 C batteries (not included) and find your favourite stations on the FM / AM bands and share the music with others or plug in your headphones to the headphone jack.

With a peak power of 1.8 W the radio may be small, but it certainly delivers a great sound.

Features

- Carrying handle - perfect for taking music with you wherever you go
- 1.8 W peak power output - delivers good sound quality
- 3.5 mm output - to connect your headphones
- Mains or battery powered - use it with the mains power cable or put in 3 C batteries (not included)
- Analogue tuning - go to the radio station of your choice with the tuning knob
