

DeskMate

Multimedia keyboard and mouse duo

PC Essentials

Smartly complement your digital way of life

Complement your PC or laptop with this sleek and fashionable keyboard and mouse duo. Equipped with nine hot keys, the keyboard gives you access to movies, music, slides presentations, games, or browse the internet with a single touch of a button. Its ergonomic keycap design is soft to the touch, which also provides a more responsive and stable typing experience than the traditional keyboard switch. The companion mouse, armed with a high definition sensor, delivers flawless tracking on virtually any surface, while its ambidextrous design allows you to use it comfortably in either hand.

Highlights

- Multimedia keyboard and mouse with plug and play capability
- Contemporary, sleek and functional design
- Hot keys for instant access to e-mail and web browsing applications
- Rear tilt legs for setting the proper keyboard angle
- The ambidextrous mouse offers a comfortable grip and smooth scrolling
