

Power Strip Desk Mount

Product ID: PWRSTRPCLMP

Get easy access to your power outlets, by placing your power strip where you need it most. Mount your power strip to your desktop, table, or counter or other flat surface with this clamp-on power strip desk mount.

Mount your Power Strip Where You Need It

Save time and effort every day by keeping your power outlets close at hand. The clamp on power strip holder attaches easily to desks, tables, counters and other flat surfaces up to 2" (50 mm) thick. No more reaching under the desk to access your power cords. Plus, keeping power cords off the floor means they stay cleaner.

Supports Most Power Strips

Adjust the width with ease with the spring-loaded design. The power strip desk clamp works with most power strips from 1.6" - 2.4" (40 mm - 60 mm) wide. The desk clamp comes with silicone pads to hold your power strip securely in place.

Keep Everything Organized

The power strip desk mount features integrated cable management to routes your cables neatly and minimize clutter. Plus, foam pads on the desk clamp protect the desk surface from scratches and scuffs.

PWRSTRPCLMP is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Keep cables organized and off the floor in business offices and commercial spaces
- Access power outlets easily in business, commercial, industrial and warehouse environments
