Your wireless device and third-party services

Verizon Wireless is the mobile carrier associated with this wireless device, but many services and features offered through this device are provided by or in conjunction with third parties. Verizon Wireless is not responsible for your use of this device or any non-Verizon Wireless applications, services and products, including any personal information you choose to use, submit or share with others. Specific third-party terms and conditions, terms of use and privacy policies apply. Please review carefully all applicable terms, conditions and policies prior to using this wireless device and any associated application, product or service.

Hearing aid compatibility information

This phone has been tested and rated for use with hearing aids for some of the wireless technologies that it uses. However, there may be some newer technologies that have not been tested yet for use with hearing aids. It is important to try the different features of this phone thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise. Ask your service provider or the manufacturer of this phone for information on hearing aid compatibility. If you have questions about return or exchange policies, ask your service provider or phone retailer.
