Playtime / Up to 6 hours playtime

Bluetooth Compatible / Be free from wires that keep you connected to your smart device. The "Live Loose" are Bluetooth compatible and allow you to roam within 30ft of your connected device.

Cord Management / This convenient piece allows you to adjust the length of your earbuds' cord for an optimal fit.

Hands-Free Calling / When friends call to interrupt your party, you can answer the phone without disconnecting from your earbuds. They know when a call is coming in and pause the music before ringing. When you hang up, the music starts where it left off. If it's you making the call, just start dialing from your phone, and the earbuds automatically do their hands-free thing.
