### HD Resolution and Dynamic Contrast Ratio

The E2070SWHN features HD 1600 x 900 resolution that allows for high-definition image quality in terms of clarity and vivid colors. When you have HD resolution with dynamic contrast ratio, the result is crisp detailed images with incredible contrast, giving you bright vivid colors that comes to life every time.

### Kensington Security Slot

This AOC monitor comes with a Kensington Security Slot for theft prevention. This anti-theft system allows you to secure the monitor in its place via compatible locking cable kit. Kensington Security Slot is ideal for both office and home settings.

### Connectivity and Features You Need in a Monitor

The E2070SWHN features VGA and HDMI connections. An HDMI connection gives you high-definition video and audio, perfect for watching those videos or highly-detailed images at home. The monitor comes with AOC's e-Saver software for both eco-friendly and user-friendly configuration and navigation.

### Fast Response Time for Smooth Visuals

A pixel response time of 5ms GTG means speed without the smear for an enhanced gaming experience. Fast-moving action and dramatic transitions will be rendered smoothly without the annoying effects of ghosting.
